

# DEVELOPMENTAL DELAYS and AUTISM

HILLIARD PEDIATRICS, INC. -- DR. TIM TELLER, MD -- 4/16

*When children are identified as having developmental delays, it may be necessary to see an outside specialist to assist with diagnosis or treatment. We will assist you with finding the right services for your child. You will need to check with your insurance company to find out their coverage for these services and to find out if they have preferred providers.*

## SPECIAL NEEDS PRESCHOOL

Many school districts, including the Hilliard City Schools, have a Special Needs Preschool designed to help prepare children 3-5 years of age with developmental delays for educational success and daily independence. Children are screened by a team to see if they are eligible and must have a moderate to severe delay in one or more area: cognitive,

communication, social-emotional, motor, pre-academic, hearing, or vision. Hilliard City Schools' Special Needs Preschool is at the Alton Darby Elementary School. The Director is Sharon Balduf and can be reached at #334-1404.
